The following is an Examiner's Statement of Reasons for Allowance:

The amendments provided by applicant's amendment of October 11, 2007 are noted but  
have not addressed all of the issues noted in the previous Office action. The above  
amendments have added to correct several typographical and technical spelling errors, and to  
narrow the subject matter claimed to subject matter properly described and enabled by the  
disclosure. For the above reasons, the claims as amended have been found to be allowable.

Any comments considered necessary by applicant must be submitted no later than the  
payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the  
Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons  
for Allowance."
